

# Families on Mission: Serving Together

“Serve one another in love.” Galatians 5:13

**June 20-27**

The goal for children’s ministry at MCC is to empower families to be the center of spiritual development. With this goal in mind, we will be shifting some of our programs and activities to better align with this goal.

## **Families that serve together stick together**

We are encouraging families to be on mission in their home and in their community, and to love their neighbor. These activities are flexible; each family can do these projects whenever fits their schedule. Additionally, there will be a service scavenger hunt for families to do in their home and for people in the community.

There are four main service projects we would like for you to complete as a family.

1. **Make cards for shut ins.**
2. **Clean up trash at park, next to a road, or a public place.**
3. **Do yard work for someone who needs help.**
4. **Bake goodies for police dept./fire dept. and deliver them.**

**EXTRA: complete the Service Scavenger Hunt**

We look forward to having as many families participate as possible. In order to encourage one another and share in the excitement of blessing our communities, we would like you to post a picture of your family doing each project to our MCC Facebook page.

It’s very common to feel blessed when serving others and we know that you will agree as you serve throughout the week. Additionally, we want to recognize the effort of families that are able to complete ALL of these service activities AND share on the MCC Facebook page. Families that fully participate will receive a FAMILY PIZZA NIGHT! It is our hope that this will be a time to reflect on the week of service over pizza- and maybe even plan some additional ways to serve together in the future!

**Sign up at [www.madisonchristian.org](http://www.madisonchristian.org) and pick up your family packet (service project list, scavenger hunt, daily devotional, extension ideas) on Sunday, June 20, at the Children’s Ministry Check-in desk after our 10:30 service.**

**\*\*Can’t participate June 20-27? No problem!\*\***

The awesome thing about this “event” is that it is totally flexible. All of these service projects can be completed according to your family’s schedule.

**Sign up for a packet anyway!**

1. Make cards for shut ins.
2. Clean up trash at park, next to a road, or a public place.
3. Do yard work for someone who needs help.
4. Bake goodies for police dept./fire dept. and deliver them.
